

HOW TO

Slow Down Traffic in Your Neighborhood

Parents from schools 2, 10, and 19 have told Healthi Kids that it is not safe for their kids to walk or bike to school because traffic is too fast around schools.

Speed trailers are one way the the Rochester Police Department track how fast people are driving

Having one on a busy street near schools can reduce reduce car speeds

You Can Help

Call the RPD Traffic Enforcement Unit at 585.428.6714 to set up a speed trailer in your neighborhood
