

## PlayROCs your Neighborhood 2017

### City Wide Coordinated Play Day

**Saturday, July 15, 2017**

**10:00 a.m. – 3:00 p.m.**

Last year, Healthi Kids had a crazy idea – to partner with neighborhoods across the city to create multiple pop up play spaces on the same day. The event raised awareness for safe and accessible play spaces for every child, in every neighborhood. What started as a spark, created a movement among our neighborhood partners, having a place for children to and adults to play in their neighborhood was, and continues to be a quality of life issue. Every child, no matter where they live, has the RIGHT to PLAY.

In 2016, fourteen neighborhood associations, block clubs, local libraries, and community organizations reclaimed their public spaces and demonstrated what a playful neighborhood looked like to them in our “PlayROCs your Neighborhood” event.

This year our coordinated play day is back. On Saturday, July 15, 2017 from 11:00 a.m. – 3:00 p.m. PlayROCs your Neighborhood is hoping to be even bigger and better than before!
